MEMORANDUM FOR: Deputy Director (Plans)

1. The Director would like to have a comprehensive report prepared on the usages of "The Invisible Government" by unfriendly countries for unfriendly purposes or for unfriendly purposes by friendly countries -- in other words, all inclusive. He recalled the use to which this book has been put by Castro, Ben Bella, Nkrumah, Moscow, and now most recently, Subandrio. The report should be all inclusive and, in preparation thereof, sources should be annotated. While the use to which this report might be put has not yet been determined by the DCI, it is possible that portions of it might be made a matter of public disclosure and it is therefore essential to annotate sources as well as to indicate the possible sensitivity of source disclosure.

2. Please utilize the facilities of DD/I, FBIS, Mr. Chretien, and others to the maximum extent required.
